Company Goals

Our goal is to provide our clients with a high quality product that meets their quality expectation.

Unique Fashion Wear BD maintains quality assurance staffs to assist in the selection and development of manufacturers who manufacture products according to Standards and who meet weave Unique Fashion Wear BD policy, principles and guidelines. This field function is too responsible for monitoring production as it is being made and communicating with the buyers and production representatives their findings.

Our Strengths

- ❖ Buying House with the support of our own and several good associate factories.
- ❖ Most of our factories are Oekotex and BSCI Certified.
- ❖ Healthy and safe labor practices in manufacturing unit according to the labor law of Bangladesh.
- ❖ Capable to handle any (regular item) customized order on specific requirements
- ❖ Efficient Team of highly qualified and talented workforce in our own and also in affiliate factories.
- ❖ Highly motivated team inspiration and working environment which boost up the work efficiency.
- ❖ Experienced and well equipped merchandising department.
- ❖ Sharp and well experienced commercial team
- ❖ Must be sending (by email) updates to the buyer.
- ❖ Always try to avoid random product/item checking during production. Rather than that we check every product/item in several steps like cutting, sewing, ironing, packaging etc.
- ❖ Accurate Pattern making and Sample development facilities.
- ❖ Always have a good intension for regularly replace old technology by latest technology
- ❖ Do ensure high quality product and hassle free service.

Our Service

Selection of Vendors

We assess factories in terms of

- ❖ Product range,
- ❖ Quality of the products,
- ❖ Production capacity,
- ❖ Facilities,
- ❖ Technology orientation,
- ❖ Man power,
- ❖ Working conditions,
- ❖ Managerial efficiency and
- ❖ The overall quality policy of the vendors.

Once our initial assessment is conducted, we exchange information with our principals and make an informed decision in approving selected vendors.

Sampling

We provide samples that are developed to incorporate colors, fabrics and styles based on the requirements of our buyers. We manufacture samples in quantities as required by our customers.

By offering this essential service, we sharpen the marketing efforts of our buyers in their region by giving them an edge over their competition.

Total Quality Control in order Execution: (Quality Management)

We closely monitor orders from the moment of sampling to the time of shipment. We provide updated status on sampling, production and shipment to our buyers on a regular basis. A pro-active approach is maintained towards the identification of problem areas and immediate application of corrective measures to ensure timely delivery of products. The detailed physical inspection of the samples selected at random is based on specifications of the buyers and cover criteria like design / style, shrinkage, accessories, appearance, markings, color, labeling, material, assortments, workmanship, measurements, packing etc.

Status Reporting

Status report is based on multi-state inspection and transmitted to the buyers. The production progress is analyzed in relation to delivery terms and suitable course of action is taken to ensure that goods are delivered in time. Consignments are readied for shipment only if they match up-to the standards required by our buyers.

Documentation and Shipping Co-ordination

Shipping documents are checked as per the buyer's instruction and the copy documents are sent to buyers well in advance of the shipment to avoid any discrepancies.

Price

We scrutinize prices quoted by factories as well as the other suppliers and with our own experience of the cost structure in the country, obtain the most realistic prices from them.

Other Service

- ❖ We also keep buyers informed about the market trends, new developments in industry, changes in Govt. policy and regulations etc. as far as possible.
- ❖ Inform buyers about new fabrics, designs and fashion trends within our knowledge.
